**Sponsor Us to
Make it Happen!**

Dear Potential Sponsor,

The SoCal Hoops Basketball Academy 12U Tournament Team is headed to Vegas July 19-23, 2017 to participate in one of the nation's largest and most competitive basketball tournaments. We have been planning to participate in this tournament for several months and are excited about the trip. Not only will we be able to play games, but also more importantly spend quality time with our friends and family members in one of the most fun and exciting cities in the world.

We have a group of 10 players who have excelled in the classroom and want to reward them with this trip. We are a basketball team that emphasizes the importance of higher education. We are asking for your sponsorship to help cover team expenses, room and lodging, and additional travel costs. Please note that all donations are 100% tax deductible. Please indicate your level of sponsorship:
